**PAPERS FOR THE SOLDIERS.**

Now, that the matter of local boun-  
ties has been disposed of, we wish to  
agitate the subject of sending the Ga-  
zette to the soldiers.

There is no way in which the same  
amount of money can be expended for  
the soldier which will furnish him so  
much gratification, securing so often,  
and lasting so long, as by sending him  
a live newspaper published in his own  
country, especially if that paper is in  
sympathy with the great cause in  
which he is engaged.

We have information from various  
sources as to the reception of the Ga-  
zette by our soldiers—the eagerness  
with which the few copies sent to each  
company were read, and of the strife  
among them to get hold of it first.

We publish a letter to-day from  
some soldiers of the 1st Ohio, who, tir-  
ed of the delay in making up the fund  
to send the paper, have sent for it  
themselves.

We propose to send the Gazette for  
another six months, if a fund can be  
raised for doing so. That period will  
embrace the coming Presidential cam-  
paign, and so the paper will be doubly  
useful and interesting to the soldiers.

To you who send the paper there is al-  
so an advantage; it performs in part  
the work of letter writing for you.—  
We endeavor to publish every event of  
general interest which takes place in  
the county. Each Gazette will serve as  
a letter for you, and you have nothing  
to do but to inform them of matters  
of family and private interest, with as  
much good advice as you think best.

With such evidences of appreciation  
on the part of the soldiers, we hope,  
our friends in the different townships  
will make the effort to raise a fund for  
this purpose.

Several have subscribed to this fund  
designating the soldiers to whom they  
wish it sent.

The 16th O. V. V. I.

We devote considerable space to the  
account of the reception of the 46th  
Regiment at Columbus. We are glad

to know that the city of Columbus has  
finally decided to receive a regiment

of Veterans in a manner in indicating  
some appreciation of their services, and  
if they can receive but one, it may as  
well be the 46th as any. Their faith-  
ful services entitle them to the best  
ovation that can be given up.

Two companies of this Regiment are  
from Fairfield County, and we welcome  
them to their homes again.

Funds collected by Aaron P.  
Ashbrook, of Pleasant Tp., for the pur-  
pose of sending the Gazette to the  
Fairfield county boys:

A. P. Ashbrook..... \$1.00  
J. M. Ashbrook..... 1.00  
T. P. Ashbrook..... 3.00  
S. B. Spitzer..... 50  
R. B. Koller..... 50  
W. Friend..... 1.00  
M. Bull..... 1.00

Total..... \$8.00

At the recent local elections in  
New York, the Unionists gained four-  
ty-four Sayers, or Copperheads  
four.

CAMP NEAR NEW MARKET,  
Tenn., March 6, 1864.

**GAZETTE.**—Enclosed find \$10.50  
for which we want you to send us fourteen  
copies of the Gazette for six months.

We are lost when we do not receive  
the Gazette regular, for we

find it an interesting and valuable  
sheet—and the Soldiers Friend, always

battling for the Union cause, while we  
are engaged down here in the same  
thing in another way; but go on in  
the great struggle, contending for our  
glorious Union against murderous  
rowdies, and you will come out more  
than conqueror. We promise you  
that we will fight them with leaden  
hail until every armed traitor is sub-  
dued, and victory perched upon our  
forces.

Col. Henry's cavalry routed a body  
of rebel cavalry on Three Mile river,  
some distance from the town of Jack-  
sonville.

The rebel force now consists of  
seventeen regiments of infantry and  
two of cavalry. They also have some  
artillery.

The Savannah News of the 2d inst.,  
contains an account of the capture of  
the rebel ship Ediza, with a cargo val-  
ued at \$20,000.

The Mississippian reports that 400  
deserters have organized, and resist  
successfully all attempts to subdue  
them.

The Mobile Tribune of the 2d inst.,  
says: "On Monday, 567 shots were  
thrown at Fort Powell by the Yankee  
fleet, without doing damage."

It is with deep regret we learn of  
the death of two of our brothers in arms,  
who were brutally murdered in your  
city a few days since by a band of  
hell-deserving rebels. It has cast a  
gloom over Fairfield's boys, who will  
never forget the murderous villains.

Please direct the papers to the fol-  
lowing names:

NEW YORK, March 11.—Advices  
from Jacksonville, Florida, are unim-  
portant.

Gen. Seymour is still in command.  
Our loss at Clusco reaches 1,800, of  
whom two-thirds are slightly wounded.

Hilton Head letters report that the  
fighting Sumter and Charleston, ceased  
on last Tuesday.

The steamer Alice Turner, a small  
blockade runner, had run ashore on  
Tybee Island and was captured by  
our forces.
